

Fundraising

Fun Activities

Forest School

IT Equipment

Classroom Equipment

The Friends Of Slaidburn School is a voluntary organisation run by parents, school staff and local residents to raise much needed funds for Brennand's Endowed Primary School.

School Trips

Each year, our aim is to work together to hold events to not only fundraise for the much needed equipment and resources for our school, but also provide experiences such as school trips, educational visitors and fun activities.

But we are so much more than just fundraising!!!

Reading Books

We support our community and local events, we create lasting memories for the wonderful children who attend Brennand's and we help to create a lasting legacy for our historic school.

Outdoor Play Equipment

BUT WE CAN'T DO THIS ALONE...

We would love your support in either planning or running an event or (if you don't have much time) simply give us a hand by helping to promote our events to your nearest and dearest. You can also help us raise money by donating to FOSS.

EYFS Resources

For more information on how to support FOSS, please contact - bursar@brennands.lancs.sch.uk
